## Guatemala is chosen as one of the best countries to travel alone

The Bustle digital media published an article in which recommend the best 14 countries to travel alone, among the destinations is Guatemala.

The author of the article, Nathalie O'Neill, chose Guatemala for its ancient Mayan ruins, rain forests to explore and one of the most active volcanoes in Central America. In addition to this, the text of the publication also recommends travelers to practice their Spanish and visit the colorful local markets.
