### SPLENDIDO is elected the best restaurant in Guatemala 2016

The Golden Fork for Best Restaurant of the Year 2016 was for Splendido Restaurant located in Zone 14 of Guatemala City . The institution received such prestigious recognition for its quality proposal in gastronomy.

It is run by Chef Leslie Stixrud and Alvaro Prado, who along with an excellent group of workers prepare unique, original dishes with excellent flavors; plus a premium service .

### Painted artwork on the walls of the General Cemetery of Quetzaltenango

Guatemalan and international artists decide to paint beautiful artwork on the walls of the General Cemetery of Quetzaltenango , this in honor of the Hispanic American Floral Games . Thanks to several national and international artists, the perimeter wall of the General Cemetery of Quetzaltenango is now a tourist attraction.

In the wall you will appreciate at least 51 works of art inspired by the 78 winning poems in the Hispanic Americans Floral Games

### Festival Antigua 2016

Festival Antigua is a celebration of creative inspiration involving several disciplines. It will provide exhibitors with international conferences art teachers, sessions and master classes with leaders in the field of creativity as Walter Chang Diaz and Diego Pablo Tellez . Also it will be held the Jade Awards which celebrates and recognizes creativity around the world.

The festival connects emerging creators, in an ideal location: Antigua Guatemala, a jewel among volcanoes busting color and inspiration. The event will be held this coming 2 and 3 September.

### The ideal beach to surf in Guatemala “El Paredón”

Many people are surprised to learn that in Guatemala is very common to find a perfect beach to surf. The Paredón in Sipacate, is one of them, it has the most consistent waves and is perfect from November to April for beginners, since May to October the waves reach gigantic sizes which can be compared with those of Hawaii in the United States. The beach of El Paredon in Guatemala is great for surfing, meditate with yoga classes, to be among the mangroves and watch beautiful sunsets. Discover more of this wonderful tourist destination in the country!
