

## NEWS • December

**La Lancha in Guatemala is one of the top 10 hotels owned by celebrities according to Conde Nast Traveler magazine.**

According to Condé Nast Traveler magazine, Hotel La Lancha in Guatemala is one of the top 10 resorts owned by a celebrity. Discover more about this wonderful destination!

American film director Francis Ford Coppola owns the Hotel La Lancha in Peten, a luxury resort with ten rooms that highlight the beauty of Guatemala. According to the article in the magazine, the place is a celebration of the country, from authentic gastronomy, to textiles and furniture.

In addition of being a luxury resort, La Lancha is also characterized by its eco-friendly products. The small cabins have all the necessary amenities to have an excellent stay.

**Guatemala occupies the sixth place of America in having the largest collection of fossils and archaeological objects of the Mayan culture.**

The Estanzuela Museum of Paleontology in Guatemala ranks sixth in America in having the largest collection of megaesquelet fossil armor, according to Canadian paleontologist Gordon Edmund.

The museum founded on June 27, 1974 by the Guatemalan paleontologist Roberto Woolfolk Saravia, contains several fossil specimens and an entire collection of archaeological objects from the Mayan culture.

**Café No Sé in Antigua Guatemala is one of the 5 best bars in the world according to Broadsheet**

The Australian guidebook Broadsheet published an article with five of the best bars in the world, including Café No Sé. According to the expert Tim Philips "There is a rule in the house: minimum two drinks. You can not just go to take photos and hang out, you have to live the full experience.

In addition, Philips expresses that the historical side of the site, the cobbled streets and the atmosphere of the Antigua is what makes the place so attractive.

Mexico, the United Kingdom, Japan and Australia were other countries that have one of the best bars in the world according to Broadsheet.
